Rule Information:

This rule will primarily seek to establish a commercial bycatch fishery for lake trout in Wisconsin waters of Lake Michigan as part of Lake Whitefish fishing. Topics which may be addressed as part of this rulemaking include but are not limited to: lake trout management zones; locations where harvest may or may not occur, such as restricted fishing areas and refuges; season dates; size limits; total allowable catch (TAC) of lake trout; allocations of the TAC between the commercial and recreational fisheries; allocation of the TAC between individual commercial fishers; tagging requirements; reporting requirements; and potential lake trout tag transfers. This rule may additionally update lake trout sport fishery regulations, as needed, including individual bag limits, and sport fishing seasons. The rule may include a sunset date.

Accessibility

For the hearing or visually impaired, non-English speakers, or those with other personal circumstances which might make communication at the meeting/hearing difficult, DNR will, to the maximum extent possible and with reasonable advance notice, provide aids including an interpreter, or a non-English, large-print, or recorded version of hearing documents.
